St. Lawrence Primary Gives Back

To commemorate Breast Cancer Awareness Month, the students and staff of the St. Lawrence Primary School conducted a Dollar Drive campaign. Throughout the month of October, dollar coins were donated, from students and faculty alike, to the campaign in order to:

- draw students' attention to the disease and its effects and,
- help those persons in need of our support and understanding.

The Dollar Drive culminated with students, adorned in their pink shirts, placing their coins in the design of the symbolic pink ribbon on the school's hard court.

On Friday November 18th 2022, funds collected from the initiative were presented to Mrs. Denise Carter-Taylor by the school's Head Boy, Amari Hutson and Head Girl, Khristal Dhranraj. Mrs. Carter-Taylor represented the Breast Screening arm of the Barbados Cancer Society.

HYPE DAY

Helping Young People Exercise (HYPE) Day is an initiative by the Ministry of Education. Its aim is to make sure that our nation's children stay active. This day was celebrated on October 20 and we had a range of activities to help the children keep fit and active. These included: skateboarding, rollerskating, zumba, aerobics and karate. Our young people (students and teachers alike) enjoyed the day.

INDEPENDENCE

This year at the St. Lawrence Primary School, we celebrated Reading Day and Independence Day activities under the theme “Oh the Places You’ll Go.” The students and staff members were encouraged to dress as a Bajan character or personality who they displayed proudly in a fun parade. We saw Mother Sally, Patrick Husbands, The Right Honourable Mia Mottley, Bussa and even The Right Excellent Robyn Rihanna Fenty.

Along with this, each class was asked to depict a Barbadian folk tale or story and display it.

Independence Day activities included an InterHouse Independence Quiz, of which Purple House emerged victorious; ole time Bajan games, like Chinese skip and Hopscotch; Bajan foods and treats were on sale; a display showing Bajan things of the past, like the juking board, flat iron, etc.

2022

Christmas is a happy time! We had our annual Christmas party and as usual Sandals, Mrs. Jean Burton and the Church of St. Lawrence donated gifts for our children. We had games and activities and we encouraged the children to donate non-perishables to make someone else's Christmas happy also. The support and donations flowed. Thank you parents!

In keeping with the spirit of Christmas the Junior School attended the Christingle service to highlight and reinforce the true meaning of Christmas.

TSUNAMI DRILL

12.13.2022

The tsunami drill was held under the keen and watchful eye of the school's resident officer, Constable Audain.

The aim of the drill was to:

- test our response protocols in the event of a disaster and,
- familiarize students and staff of the procedures to be followed in the event of a tsunami.

Many of the staff and students had never experienced a drill.

This drill was success. The entire school was able to reach the Ministry of Agriculture in Graeme Hall in 12 minutes.

There will be more drills in the future to ensure that we are always prepared.
