## Welcome to the St. Lawrence Primary School Family

We are glad that you have chosen the St. Lawrence Primary School to be your partners in education for the academic year 2020- 2021.

We look forward to another exciting year where we work together to ensure that your children fully benefit from rich, wholesome learning experiences.

## Message from the Principal

BY PATRICIA SPRINGER

I am pleased to welcome you to the first edition of the St Lawrence newsletter for the academic year 2020 to 2021. I am Patricia Springer, your new principal. As I celebrate 42 years in teaching, my goal is to build on, and continue the rich legacy of achievement for all children and by extension all families of St Lawrence Primary School.

**"...WHATEVER WE  
FACE, GOD'S LOVE  
SURROUNDS US."**

I strongly believe in parent involvement and will be seeking to re-establish the PTA as soon as possible.

The theme for the year is, "**Creativity Unmasked: Discovering Our World**". It encourages us to dig deep and find that inner strength to rise above the various challenges posed by the COVID-19 pandemic, thus discovering innovative ways to move forward.

We have precious promises in Psalm 139 which remind us that wherever we go or whatever we face, God's love surrounds us. Our children have been encouraged to say "I can."

Join us as we learn and apply this theme song [Yes You Can](#), over the year.

# Meet the Staff
